

THINKING ABOUT VOLUNTEERING?

Want to find out more?

Come to a

VOLUNTEERING INFORMATION SESSION

The Information Sessions are informal in small groups and there is no pressure put on you to make any commitment. It's just an opportunity for you to get some information, advice and guidance.

- Who volunteers? How do you go about it?
- How much time will I have to give?
- Will any expenses be paid?
- I've not done this before, is there any training?
- What about equipment & insurance?
- What can I do? Who really needs help?
- Will it help to find a paid job? Can it count towards getting into college or university?
- What kind of support can I expect? How will I be managed? Can I shadow an experienced volunteer?
- I'm on benefits. Is it O.K. to be a volunteer?

Get the answers to these typical questions and to many more too. Also details of all the volunteering opportunities available in Southampton. You should allow a couple of hours for your visit. See over for details of the dates and times.
